Long work hours often push employees to manage personal responsibilities during the day: leading to lost productivity and increased stress.

Flight, hotel, and transportation bookings?

College application support?

A fresh idea for a client celebration?

Meal delivery for an elderly loved one?

Overwhelming for most employees, not with a **MyLife™ Concierge**.

Reduce stress and costly productivity loss with **MyLife™ Concierge**—tailored support for every stage of life and career. From the front line to the C-suite, we’ve got your team covered.

Available 24/7, **MyLife™ Concierge** handles the time-consuming tasks that distract employees—everything from research and scheduling to booking travel and sourcing supplies—so your team can stay focused at work.

MyLife™ Concierge enhances productivity, reduces absenteeism and turnover, and promotes better work-life alignment. It’s always the right time to show employees they’re valued.

A comprehensive, integrated approach

**Helping Parents Do It All**
We help parents navigate it all—from prenatal care to college prep. MyLife™ Concierge curates trusted support –after-school programs, speech therapy, study abroad, and services for neurodivergent children—so families can focus on what matters most.

**Compassionate Care, Seamlessly Coordinated**
Supporting aging loved ones can be challenging. MyLife™ Concierge provides expert help with research, scheduling, and coordination for both short- and long-term needs: housing, medical appointments, transportation, prescriptions, equipment, and more.

**Effortless Planning, Exceptional Experiences**
Access a globally certified travel agency that takes the stress out of planning. Whether it’s a client dinner, corporate event, or family getaway, MyLife™ Concierge manages every detail for a seamless experience.

**Simplifying Everyday Life**
MyLife™ Concierge helps employees manage daily tasks—from finding a reliable plumber or attorney to arranging cleaning services, relocation support, auto repairs, notary services, and more.

**Supporting Health and Well-being**
Our wellness solutions connect employees with resources for mental health, nutrition, fitness, sleep improvement, life coaching, and stress management.

**Support When and How You Need It**
